### **NON-COMPLIANCE RECALL N454: Incorrect Specification Replacement Headliners**

**Vehicles Affected: Land Rover Range Rover Evoque  
Model Year: 2020**

**National Highway Traffic Safety Administration (NHTSA) Recall Number: 20E-017**

#### **Dear Range Rover Evoque Owner:**

This notice is sent to you in accordance with the *National Traffic and Motor Vehicle Safety Act*. Land Rover has decided that certain 2020 Land Rover Range Rover Evoque vehicles fail to conform to Federal Motor Vehicle Safety Standard Number 201, "Occupant Protection in Interior Impact".

Your vehicle is included in this Recall action.

This letter updates the information contained in the interim letter which was mailed to you in May. The necessary parts to update and repair your vehicle are now available.

#### **What is the reason for this program?**

An issue has been identified on three headliners supplied for use on United States specification 2020 Model Year Land Rover Range Rover Evoque vehicles where the headliners supplied have been incorrectly manufactured without a metal plate, possibly reducing the headliner's head impact protection.

In the event of a crash, there is an increased risk of injury to the occupants of the vehicle.

#### **What will Land Rover and your authorized Land Rover Retailer do?**

Land Rover is carrying out a recall of the vehicles mentioned above. An authorized Land Rover retailer will replace the headliner with one of the correct specification. There will be no charge for this repair under this program.

#### **What should you do?**

Contact your preferred authorized Land Rover retailer, provide them with your Vehicle Identification Number (VIN), and request a service date to complete the work required under Program Code 'N454'.

**Attention Leasing Agencies:** If you are a vehicle lessor, Federal Regulations require you to forward this notice to your lessee within TEN (10) days.

#### **How long will it take?**

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately 4.5 hours, although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.

**Moved or no longer own this Land Rover vehicle?**

If you are no longer the owner of this vehicle, Land Rover would greatly appreciate the name and address of the new owner, using the Information Change Form enclosed.

**What should you do if you have further questions?**

If you have any questions or concerns, please contact the Service Manager at your authorized Land Rover retailer for assistance. If you have any queries or concerns that your local Retailer cannot address, please contact the Land Rover Customer Relationship Centre at 1-800-637-6837, **Option 9**, and one of our representatives will be happy to assist you.
