Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain aftermarket Mopar Floor Mat Kit Part Numbers: 82215323, 82215321, 82215323AB, 82215321AB, 82215323AC, 82215321AC, 82215322, 82215320, 82215322AB, 82215320AB, 82215322AC, 82215320AC, 82215421, 82215422, 82215421AB, 82215422AB, 82215421AC, 82215422AC, 82216268AA, 82216269AA.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

### WHY DOES MY ITEM OF EQUIPMENT NEED REPAIRS?

FCA records indicate that you may have purchased an aftermarket Mopar All-Weather Floor Mat kit intended for the 2019 - 2020 (DT) Ram 1500 Pickup. The driver's side all-weather floor mat may in certain circumstances, interfere with the raised feature on an all-weather floor mat, possibly inhibiting the accelerator pedal from promptly repositioning to a lesser depressed position after the driver releases pressure on the accelerator pedal. If the accelerator pedal interferes with the mat, the vehicle may not decelerate as expected when the driver releases the accelerator pedal, which can cause a vehicle crash without prior warning. By continued braking, however, the driver can activate brake-throttle override to close the throttle and bring the vehicle to a safe stop.

### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

The dealership service department will inspect and if required modify the driver's side front floor mat <sup>[2]</sup> free of charge (parts and labor). **These floor mats are sold as kits under the part numbers listed above, but only the driver's side floor mat will be modified. Be sure to bring the driver's side front floor mat with this letter to your dealership.**

If you notice the above described condition, we ask that you please remove the driver's side floor mat until your mat is modified.
