IMPORTANT SAFETY RECALL

This notice applies to your vehicle (VIN: [REDACTED]).

RC 60FL / NHTSA 20V-007

Dear [REDACTED],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ferrari has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2009-2011 458 Italia and California vehicles equipped with a passenger-side front airbag manufactured and supplied by Takata Corporation. We want to assure you that your safety is our priority, and we are committed to correcting this condition in your vehicle.

The passenger side front airbag could explode if your vehicle is involved in a crash in which the frontal airbags deploy. This risk is due to propellant degradation which may occur after long-term exposure to high temperatures, high absolute humidity and high temperature cycling causing the inflator to explode in deployment. Sharp metal fragments may pass through the airbag striking vehicle passengers, leading to serious injury or death.

We understand that this vehicle previously received an interim repair. Ferrari is now recalling this interim part to replace it with the final repair that uses a different propellant to inflate the airbag.

Our records show that you are the owner of a vehicle affected by this recall.

IMPORTANT – CONTACT YOUR DEALER TODAY FOR YOUR FREE REPAIR

FINAL replacement airbags are now available in your area. Please make an appointment with your nearest dealer to have the FREE repair performed on your vehicle.

Ferrari will repair your vehicle **FREE** of charge. The repair involves replacing the Passenger Frontal Airbag Module. Please contact your Ferrari dealer at this time and make an appointment to have this repair performed. The time needed for this repair is estimated to be between 2 and 5 hours depending on the model; however, your dealer may need to keep your vehicle for a longer period of time. Please be prepared to leave your vehicle with your dealer for at least a full day.

Please also note that only the passenger frontal airbag is affected by this recall. The driver's frontal airbag is unaffected.

If you have any questions or concerns that your dealer is unable to resolve, please contact Ferrari North America, Inc. at +1(201) 816-2668. If your Dealer or Ferrari is unable to remedy the defect without charge or within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>

Thank you for your attention to this important matter.
