# IMPORTANT SAFETY RECALL

## Transfer Case

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that a defect, which relates to motor vehicle safety, exists in certain four-wheel drive [2019 Model Year (DT) Ram Pickup] vehicles equipped with a 5.7L engine and Electric Shift On Demand Transfer Case.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The transfer case on your vehicle <sup>[1]</sup> contains a dual drive gear that may have been installed in an incorrect orientation. A transfer case with a dual drive gear that is misaligned may shift into NEUTRAL when "2WD" is selected, and may remain stuck in NEUTRAL. A transfer case that becomes stuck in NEUTRAL while driving may cause a loss of motive power and will cause a loss of PARK function when stationary. **A loss of motive power or a loss of PARK function can cause a vehicle crash without prior warning and/or injury to others outside the vehicle.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will replace the transfer case. The estimated repair time is two hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
