## IMPORTANT SAFETY RECALL

See enclosed VIN list

### Subject: TBB Saf-T-Liner C2 Warning Lights

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Thomas Built Buses, Inc., has decided that a defect which relates to motor vehicle safety exists on specific Thomas Built Buses Saf-T-Liner C2 school buses manufactured January 2, 2019 through February 13, 2020.

The warning lights and stop sign on buses with a specific combination of switch hub module, bulkhead module, and warning light switch may experience a communication issue, resulting in deactivation of the red warning lights, stop sign, and system indicator. If this happens, drivers may be incorrectly signaled to proceed before loading/unloading of students is complete, increasing the risk of personal injury.

The switch hub module software will be updated to correct the communication issue.
