# IMPORTANT SAFETY RECALL

## Clutch

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that a defect, which relates to motor vehicle safety, exists in certain [2018 -2020 Model Year (JL) Jeep Wrangler and 2020 (JT) Jeep Gladiator] vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

In some circumstances, the clutch pressure plate on your vehicle <sup>[1]</sup> may become overheated through friction, which may lead the pressure plate to fracture. A fractured pressure plate may crack or fracture the transmission case, allowing heated debris to contact ignition sources on the vehicle, potentially leading to a vehicle fire. In some circumstances, the operator may smell a burnt clutch odor, or have excessive or abnormal clutch pedal travel prior to the failure. **A vehicle fire can result in occupant injury and injury to persons outside the vehicle, as well as property damage. A fractured pressure plate may also lead to a loss of propulsion, or generation of road debris. Either of these conditions can cause a vehicle crash without prior warning.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will install a protective hose sleeve, reroute a wire harness, inspect the clutch system, and replace components as needed. The estimated repair time is about one hour. However, if inspection determines additional components need to be replaced additional time may be necessary. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
