

IMPORTANT SAFETY RECALL

May 2020

This notice applies to your vehicle, VIN: _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Isuzu Motors Limited has decided that a defect which relates to motor vehicle safety exists in certain 2018-2020 model year 6500XD Low Cab Forward vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM recall N202303150.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

The chassis wire harness outside the relay box was improperly routed. As routed, it can contact the suspension's leaf spring hanger bracket, causing the harness to chafe and the wires to be damaged. Depending on which of the wires within the harness are affected, different systems could be impacted, yielding varying possible results including the possibility of a vehicle stall and/or reduced functionality of the ABS brake system. These results could increase the risk of a crash.

What will we do?

Your GM dealer will repair or replace the existing wire harness, as necessary, if it is damaged, and install additional clamps to ensure the undamaged or repaired/replacement wire harness is secured away from the hanger bracket. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual time of approximately 1 hour and 35 minutes.

Did you already pay for this repair?

Even though you may have previously had repairs for this condition, you will still need to take your vehicle to your dealer for additional repairs. If you have already paid for repairs for the recall condition, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the Reimbursement Department by May 31, 2021, unless state law specifies a longer reimbursement period.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.
