

IMPORTANT SAFETY RECALL

May 2020

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2015 - 2016 model year Chevrolet Caprice PPV and Chevrolet SS vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

<p>IMPORTANT</p> <ul style="list-style-type: none"> • Your vehicle is involved in GM safety recall N192285350. • Schedule an appointment with your GM dealer. • This service will be performed for you at no charge.

Why is your vehicle being recalled? These vehicles may experience loss of electric power steering (“EPS”) assistance while driving or idling as a result of fretting corrosion on the connector between the EPS module and the torque sensor. If power steering assist is lost (i.e., the vehicle reverts to manual steer), a malfunction indicator light displays on the instrument panel and a chime sounds to inform the driver. If power steering is lost, manual steering functionality is retained but would require an increased steering effort, particularly at lower speeds, increasing the risk of a crash.

What will we do? Your GM dealer will replace the steering gear assembly with a new assembly fitted with gold-plated terminals. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 3 hours.

What should you do? You should contact your GM dealer to arrange a service appointment as soon as possible.

Did you already pay for this repair? Even though you may have previously had repairs for this condition, you will still need to take your vehicle to your dealer for additional repairs. If you have already paid for repairs for the recall condition, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the Reimbursement Department by May 31, 2021, unless state law specifies a longer reimbursement period.

Do you have questions? If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.
