

IMPORTANT SAFETY RECALL

July 2020

This notice applies to your 2021 model year Chevrolet Trailblazer. The applicable Vehicle Identification Number (VIN) can be found on the address label of the envelope.

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that certain 2021 model year Chevrolet Trailblazer vehicles equipped with optional 17" sport terrain tires fail to conform to Federal/Canada Motor Vehicle Safety Standard No. 110. As a result, GM is conducting a recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM recall A202304070.
- Install the enclosed label or schedule an appointment.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

The certification label on your vehicle does not provide the tire size and cold tire pressure for front and rear tires, as required. Because the labels do not contain this information, there exists a risk that customers may overinflate or underinflate their tires, increasing the risk of a crash.

What will we do?

The wheel and tire certification label overlay for your vehicle is enclosed. To reduce your inconvenience, you can install the label easily by following the enclosed instructions. If you desire, however, you may take the label to your dealer for installation within the next 60 days. This service will be performed for you at **no charge**.

What should you do?

You should install your wheel and tire certification label overlay.

If you would like your dealer to install the label, you should contact your Chevrolet dealer to arrange a service appointment as soon as possible. Bring the label with you when you visit your dealer.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the Chevrolet Customer Assistance Center at 1-866-630-2438, (Text Telephones (TTY) 1-800-833-2438.)

If after contacting your dealer and the Customer Assistance Center, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.safercar.gov>. The National Highway Traffic Safety Administration Campaign ID Number for this recall is 20V295.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
