WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?

Coachmen is notifying dealerships of the recall. You may have the recall corrected at any Coachmen or Forest River dealership. Coachmen completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

WHAT SHOULD YOU DO?

Please contact your dealer immediately and request a service appointment to schedule the free remedy to install the circuit interrupter. The vehicle Owner is responsible for arranging to have the work completed. Please state you have been notified by Coachmen of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

Note: If your system is Precision Circuits, after the recall is performed the monitor panel will not operate once the ignition is in use.

You may also visit www.forestriverinc.com for dealer locations.

HOW LONG WILL THE REMEDY PROCESS TAKE?

The estimated time of repair is .5 hours. However, the dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.

WHAT IF YOU HAVE PREVIOUSLY PAID FOR REPAIRS TO YOUR VEHICLE FOR THIS PARTICULAR CONDITION?

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized.
