# IMPORTANT SAFETY RECALL

## Driver Side Floor Mat

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that a defect, which relates to motor vehicle safety, exists in certain [2019 – 2020 (DT) Ram 1500 Pickup] vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The driver's side All-Weather floor mat in your vehicle <sup>[1]</sup> may in certain circumstances, interfere with the raised feature on an all-weather floor mat, possibly inhibiting the accelerator pedal from promptly repositioning to a lesser depressed position after the driver releases pressure on the accelerator pedal. If the accelerator pedal interferes with the mat, the vehicle may not decelerate as expected when the driver releases the accelerator pedal, which can cause a vehicle crash without prior warning. By continued braking, however, the driver can activate brake-throttle override to close the throttle and bring the vehicle to a safe stop.

**If you notice the above described condition, we ask that you please remove the driver's side floor mat until your mat is modified.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will inspect the driver's side floor mat and if required remove some material from the driver floor mats to mitigate the potential for interference with the accelerator pedal. The estimated repair time is about a half hour. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
