This notice applies to your Hyundai, VIN: XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect which relates to motor vehicle safety exists in your vehicle, with the VIN shown above. Hyundai is conducting a safety recall in the United States to address a condition with the Anti-lock Brake System (“ABS”) modules in certain model year 2016-2021 Hyundai Tucson vehicles produced by Hyundai Motor Company (“HMC”) in South Korea for sale in the U.S. market.

#### What is the problem?

The subject vehicles are equipped with Anti-lock Brake System (“ABS”) modules that could corrode internally and cause an electrical short over time. An electrical short in the ABS module could increase the risk of an engine compartment fire.

#### What will Hyundai do?

Your Hyundai dealer will install a fuse kit into the ABS module electrical circuit and update the ABS software. This procedure will be performed at **NO CHARGE** to you.

#### What should you do?

**Please contact your nearest Hyundai dealer to schedule the recall repair as soon as possible.**

**Owners should park their vehicles outside until the recall repair is completed.** If the Malfunction Indicator Light is illuminated in your vehicle, you should seek service at your Hyundai dealer as soon as possible. The actual time required to perform the repair will take less than one hour, however your vehicle may be needed longer. Therefore, we recommend scheduling a service appointment to minimize inconvenience.

#### If you have other questions

If you require further assistance, you may contact the Hyundai Customer Care Center at 1-855-371-9460. If you believe that the dealer or Hyundai has failed or is unable to remedy the defect within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <https://www.safercar.gov>.

Thank you for your attention to this important safety matter. We apologize for any inconvenience this may have caused you.
