**Subject: Safety Recall 69BA –Third Row Seat Belt Anchors**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that a defect, which relates to motor vehicle safety, exists in certain 2020 model year Volkswagen Tiguan vehicles. Our records show that you are the owner of a vehicle affected by this action.

**What is the issue?**

The seat belt anchor bolt torque for the third row seat belts (at the C & D pillars) could be insufficient due to potentially damaged anchor point threads. If this condition is present in the vehicle, a third row seat belt may not perform as designed in a crash, increasing the risk of injury to the occupant sitting there.

**What we will do, and what you need to do.**

The recall remedy available to you is a vehicle repurchase (buy back). Volkswagen will work directly with you to complete the vehicle repurchase process, FREE of charge.

Please contact Volkswagen Customer CARE at 800-893-5298 or reach out to us at [www.vw.com/contact](http://www.vw.com/contact) as soon as possible for more information and to begin the vehicle repurchase process.

**Precautions you should take**

No one should occupy the third row seat due to the safety risk.

**Lease vehicles and address changes**

If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.
