SAFETY RECALL N524

**Vehicles Affected: Land Rover Range Rover Evoque
Model Year: 2020**

National Highway Traffic Safety Administration (NHTSA) Recall Number: 20V-794

Dear Land Rover Range Rover Evoque Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Land Rover has decided that certain 2020 model year Land Rover Range Rover Evoque vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 302, 'Flammability of Interior Materials.

Your vehicle is included in this Recall action.

What is the reason for this program?

An issue has been identified on certain vehicles equipped with climate specification front seats trimmed with Dinamica® cloth (a laminate bonded seat material). The seat material may burn quicker than allowed by the burn rate requirements of Federal Motor Vehicle Safety Standards (FMVSS) number 302, 'Flammability of Interior Materials (571.302 S4.3(a))'.

In the event of a vehicle fire, there is an increased risk of injury to the occupants of the vehicle.

What will Land Rover and your authorized Land Rover Retailer do?

Land Rover is carrying out a recall of the vehicles mentioned above to replace the seat covering on the front seats with a sewn bonded Dinamica® seat material. However, we currently do not have supply of the necessary parts to repair your vehicle. Once we receive the necessary supply, we will contact you a second time.

There will be no charge for this repair under this program.

What if I have previously paid for this concern?

If you have already paid for this concern before the date of this letter, Land Rover is offering a refund. In order to qualify for a refund, please provide your authorized Land Rover retailer with the original paid receipt.

To avoid delays, please do not send the receipt to Jaguar Land Rover North America.

What should you do?

After you receive a second letter notifying you that we have the necessary parts to repair your vehicle please contact your preferred authorized Land Rover retailer and provide them with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'N524'.

Your retailer can provide you with a better estimate of the overall time for the service visit.
