AIRBAG

Why does your vehicle need this safety recall repair?

Without this **FREE** recall repair, one of your front airbag inflators may explode when it deploys during a crash. If this happens, sharp metal fragments could pass through the airbag, striking you or your loved ones, causing serious injuries or even death.

Do I have to pay for the recall repair?

No — your recall repair is **FREE** and can be completed right at our dealership during service hours.

Can this recall repair wait?

No — schedule your appointment as soon as possible. Our service hours can accommodate many different schedules.

Where can I get more information?

For more information about this airbag safety recall, enter your VIN at experience.gm.com/ownercenter/recalls.
