IMPORTANT SAFETY RECALL

Driver Air Bag Emblem

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that a defect, which relates to motor vehicle safety, exists in certain [2008 through 2010 Model Year (RT) Chrysler Town & Country and Dodge Grand Caravan and also 2007 through 2011 Model Year (KA) Dodge Nitro] vehicles equipped with a Driver Air Bag (DAB).

WHY DOES MY VEHICLE NEED REPAIRS?

The DAB emblem on your vehicle ^[1] may have become loose or detached which may result in either the emblem or retainers, or both, not remaining attached to the DAB cover during DAB deployment. **A loose or detached emblem or emblem retainer can become a potential projectile during a crash with DAB deployment, which may result in occupant injury.**

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

The remedy for this condition is not currently available. We are making every effort to finalize the remedy as quickly as possible, and will service your vehicle free of charge (parts and labor). If your emblem is loose or missing, or if you are concerned about this issue, please contact your dealer for an interim remedy action.

FCA US will contact you again, by mail, with a follow-up recall notice when the remedy is available. Once you receive your follow-up notice, simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment ^[2]. Additional options for your next steps are included on the left side of this notification. We appreciate your patience.
