

# IMPORTANT SAFETY RECALL NOTICE

July 23, 2020

Re: 3 Ton Heavy Duty Steel Jack Stand Recall NHTSA

Campaign I.D. Number: 20E046

Dear Sir or Madam,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Harbor Freight Tools ("HFT") has decided that a defect which relates to motor vehicle safety may exist in certain Pittsburgh Automotive 3 Ton Heavy Duty Steel Jack Stands item number 56373. You may have purchased at least one of these pairs of Jack Stands.

## **What is the Condition?**

For certain units of the Pittsburgh Automotive 3 Ton Heavy Duty Steel Jack Stands (Item 56373) there may be an inadequate weld on the inside of the red base of the jack stand, allowing the stand to drop suddenly. This condition could cause serious injury for people near or under a lifted vehicle, and/or damage to property. As a precautionary measure, we request that you discontinue use of the jack stand(s) identified below immediately.

Jack Stands included in this recall campaign include:

<b>Number</b>	<b>Item Description</b>	<b>Sale Date Range</b>
56373	Pittsburgh Automotive 3 Ton Heavy Duty Steel Jack Stand	February 2020 to 2020

Also, please note that we have previously announced recalls for 3 Ton Jack Stands item number 61196 and 6 Ton Jack Stands item number 61197. Both are painted grey, and can be identified by checking the item number found on the yellow part of the label on the base of each jack stand.

Item number 56373 is painted red and indicated below. We previously also announced a recall for 3 Ton Jack Stands item number 56371 which is also painted red. The item number for 56371 and 56373 can be identified by checking the item number on the label on the top of each jack stand.
