Re: NHTSA Recall No. 20E-068  
Part 573, Amended Defect Information Report  
Genuine Accessory Tonneau Cover for 2017-2020 Honda Ridgeline

Dear Mr. Giuseppe:

In accordance with the National Traffic and Motor Vehicle Safety Act and 49 CFR Part 573 Defect and Noncompliance and Responsibility Reports, Honda is submitting an amended Defect Information Report regarding NHTSA recall number 20E-068 originally submitted on September 17, 2020. The amendment removes 253 accessory tonneau covers from the affected equipment population. A database that tracked dealer demand was inappropriately used to determine the original affected equipment population. Honda has reconciled the actual number of potentially affected equipment with the appropriate sales database.

The following reporting category is being amended:

573.6(c)(3)

<b>Total number of potentially affected equipment:</b>	28,885 (original population)
	- <u>253</u> (population reduction)
	28,632 (amended population)

If you have any questions about this report, please feel free to contact me.

Sincerely,

AMERICAN HONDA MOTOR CO., INC.
