Details of the Recall

The radio may be equipped with software that may allow for the rear view camera to be displayed longer than the time allowed. If the rearview image is displayed after the backing event has ended, a driver may be distracted by the image which can cause a vehicle crash without prior warning.

The dealership will update your radio's software.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
