

TREAD ACT CUSTOMER REIMBURSEMENT PLAN

Customer Reimbursement for Safety Related Recall Repairs
Effective with Safety related recalls initiated as of January 15, 2003

Piaggio Group Americas is initiating a safety related recall for a select range of models that includes your VIN number. If you have previously paid to have the repair or update as described in the recall documentation completed, you are entitled to be reimbursed for that expense.

You are encouraged to request reimbursement from your respective Piaggio/Vespa dealer. Alternatively, you may submit the request for reimbursement to the following address:

Customer Care
Piaggio Group Americas
1020 W. 17th Street
Costa Mesa, CA 92627

In every case:

- Repair expenses pertaining to the subject of the safety recall are reimbursable, not consequential expenses such as towing, rental, accommodations, damage repairs, etc.
- Expenses from repair facilities outside of the Piaggio Group Americas authorized dealer network will be considered; however, the repair procedure must meet Piaggio Group Americas standards.
- When reimbursing for parts, the Manufacturers Suggested Retail Price (MSRP) will be considered as the guideline for reasonable charges.
- Expenses for repairs performed more than 10 days after the date of the last customer notification letter sent by Piaggio Group Americas are not eligible for reimbursement.
- Taxes and hazardous waste disposal, where previously paid, are eligible for reimbursement.

The authorized Piaggio/Vespa dealer will request a copy of the customer notification letter, as well as a copy of the owner's previously paid invoice, and then inspect the vehicle (if still in the possession of the invoice holder) to determine the scope and quality of the previous repair. Claims will be processed within 60 days of receipt.
