Subject: Missing Combined Use Capacity Chart

Dear Mr. Chard:

This letter serves to acknowledge Altec Industries, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ALTEC/AERIAL DEVICE/2016-2020

Mfr's Report Date: January 15, 2021

NHTSA Campaign Number: 21V-012

Components:

EQUIPMENT:MECHANICAL:BOOM/CRANE/LADDER
UNKNOWN OR OTHER

Potential Number of Units Affected: 213

Problem Description:

Altec Industries, Inc. (Altec) is recalling certain 2016-2020 DH-B Series, DH-E Series, and D3000-E digger derricks set up for combined use and equipped with radio remote upper controls. These units only have the derrick use capacity chart and do not have the combined use capacity chart.

Consequence:

The operator may not have access to the rated capacity information while they are operating the equipment in combined use, increasing the risk of an injury.

Remedy:

Altec will notify owners, and will require them to attach a capacity placard to the radio remote using a lanyard if it is missing, free of charge. The recall is expected to begin March 10, 2021. Owners may contact Altec customer service at 1-877-462-5832. Altec's number for this recall is CSN 792.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

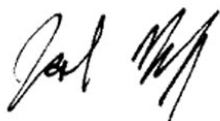

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Joshua Neff
Chief, Recall Management Division
