Potential Number of Units Affected: 806

Problem Description:

KZRV, L.P. (KZRV) is recalling certain 2021 Sportsmen Classic, Escape, and Sonic recreational trailers. The microwave circuits were improperly connected to a 20amp circuit breaker instead of a 15amp circuit breaker.

Consequence:

Being connected to the wrong amperage circuit breaker may not provide adequate circuit protection, increasing the risk of a fire.

Remedy:

KZRV will notify owners, and dealers will replace the 20 amp circuit breaker with a 15 amp circuit breaker, free of charge. The recall is expected to begin March 16, 2021. Owners may contact KZRV customer service at 1-800-768-4016, extension 154 or 153. KZRV's number for this recall is KZ-2021-01.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please ensure the following requirements are met:

An identification and description of the risk to motor vehicle safety reasonably related to the defect or noncompliance (49 CFR 573.6 (c)(5)). All filings should state an increased risk of either a crash, injury or fire.

AMENDED 573 REQUIRED.

NHTSA has received KZRV's proposed owner notification letter and it is under review.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
