21V-036

Subject: Electric Cabling Damaged

Dear Ms. Gagnon:

This letter serves to acknowledge Corp. Micro Bird, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

MICRO BIRD/G5/2014-2021

Mfr's Report Date: February 1, 2021

NHTSA Campaign Number: 21V-036

Components:

ELECTRICAL SYSTEM: WIRING

Potential Number of Units Affected: 5,413

Problem Description:

Corp. Micro Bird, Inc. (Micro Bird) is recalling certain 2014-2021 Micro Bird G5 vehicles with electrical wiring, routed behind the driver's seat, that may have been damaged during rivet installation.

Consequence:

If the electric cabling is damaged, certain safety accessories or lamps may stop working, or a short-circuit may occur, increasing the risk of a fire.

Remedy:

Micro Bird will notify owners and dealers will provide field modification instructions, free of charge. The recall is expected to begin March 24, 2021. Owners may contact Micro Bird customer service at 1-819-477-2012. Micro Bird's number for this recall is 21-086-WUS.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please ensure the following requirements are met:

As required in Part 573.6(c)(6), in the case of a defect, please provide a chronology of all principal events that were the basis for the determination that the defect related to motor vehicle safety, including a summary of all warranty claims, field or service reports, and other information (such as the numbers of deaths and/or injuries), with their dates of receipt.

AMENDED 573 REQUIRED.

We have received Micro Bird's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
