Subject: Fuel Hose May Disconnect From Fuel Tank

Dear Ms. Underwood:

This letter serves to acknowledge Nissan North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

NISSAN/ROGUE/2021

Mfr's Report Date: February 11, 2021

NHTSA Campaign Number: 21V-068

Components:

FUEL SYSTEM, GASOLINE:DELIVERY:HOSES, LINES/PIPING, AND FITTINGS
FUEL SYSTEM, GASOLINE:STORAGE:TANK ASSEMBLY

Potential Number of Units Affected: 2,146

Problem Description:

Nissan North America, Inc. (Nissan) is recalling certain 2021 Nissan Rogue vehicles. The fuel hose may not be secured in the proper position and the fuel tank lock ring may not be fully seated.

Consequence:

An improperly secured fuel hose may leak, increasing the risk of a fire. The fuel hose may also disconnect completely, causing the engine to stall and increasing the risk of a crash.

Remedy:

Nissan will notify owners, and dealers will inspect and, as necessary, reposition and secure the fuel hose and lock ring, free of charge. The recall is expected to begin March 1, 2021. Owners may contact Nissan customer service at 1-800-867-7669. Nissan's number for this recall is PC791.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Nissan's proposed owner notification letter and approved it for distribution.

Please be reminded of the following requirements:

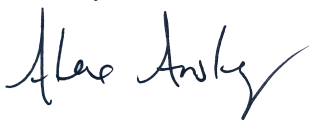

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer to sell a motor vehicle that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Shiver who may be reached by phone at (202) 366-7401, or by email at sarah.shiver@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
