**NHTSA Campaign Number:** 21V-146

**Components:**

VISIBILITY:REARVIEW MIRRORS/DEVICES:EXTERIOR

**Potential Number of Units Affected:** 4,848

**Problem Description:**

Hino Motors Sales U.S.A., Inc. (Hino) is recalling certain 2020 NE8J, NJ8J, NV8J, NH1A, NV1A and TH1A vehicles. The mirror glass may not be bonded properly to the carrier plate, allowing it to detach.

**Consequence:**

Detached mirror glass can reduce driver visibility, or become a road hazard to other drivers. Either of these scenarios can increase the risk of a crash.

**Remedy:**

Hino will notify owners, and dealers will inspect the mirror production date, and replace it if necessary, free of charge. The recall is expected to begin May 7, 2021. Owners may contact Hino customer service at 1-248-699-9390. Hino's number for this recall is M0340. This recall supersedes previous NHTSA recall number 19V-564.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
