Problem Description:

Jaguar Land Rover North America, LLC (Jaguar) is recalling certain 2020 Jaguar F-Type vehicles. The diagnostic check for the Anti-Lock Brake System (ABS) that runs at vehicle startup may not complete in the time required, which could disable the ABS and the Dynamic Stability Control (DSC) system during that drive cycle.

Consequence:

A disabled ABS or DSC system could increase the risk of a crash.

Remedy:

Jaguar will notify owners, and dealers will update the vehicle software, free of charge. The recall is expected to begin May 7, 2021. Owners may contact Jaguar customer service at 1-800-452-4827. Jaguar's number for this recall is H335.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
