Subject: Rotation Bearing Fasteners May Break

Dear Mr. Chard:

This letter serves to acknowledge Altec Industries, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ALTEC/AERIAL DEVICE/2017-2018

Mfr's Report Date: April 5, 2021

NHTSA Campaign Number: 21V-239

Components:

STRUCTURE:CRITICAL FASTENERS

Potential Number of Units Affected: 120

Problem Description:

Altec Industries, Inc. (Altec) is recalling certain 2017-2018 AT37/41/48M, AT41P, AT48S, L37M, L42A, and TA40 aerial device vehicles. The rotation bearings fasteners may experience stress corrosion cracking.

Consequence:

Cracked rotation bearing fasteners may break, causing separation of the pedestal and turntable, increasing the risk of death and/or injury.

Remedy:

Altec will notify owners, and dealers will replace the rotation bearing fasteners, free of charge. The recall is expected to begin June 3, 2021. Owners may contact Altec customer service at 1-877-462-5832. Altec's number for this recall is CSN 807.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please ensure the following requirements are met:

As required in Part 573.6(c)(6), in the case of a defect, please provide a chronology of all principal events that were the basis for the determination that the defect related to motor vehicle safety, including a summary of all warranty claims, field or service reports, and other information (such as the numbers of deaths and/or injuries), with their dates of receipt.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Altec Industries, Inc.'s contact for this recall will be Michelle Rice who may be reached by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
