Dear Mr. Forghieri:

This letter serves to acknowledge Lamborghini (Automobili Lamborghini)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

LAMBORGHINI/HURACAN/2018-2021

**Mfr's Report Date:** June 23, 2021

**NHTSA Campaign Number:** 21V-466

**Components:**

BACK OVER PREVENTION:DISPLAY FUNCTION  
BACK OVER PREVENTION:SOFTWARE

**Potential Number of Units Affected:** 2,701

**Problem Description:**

Lamborghini (Automobili Lamborghini) is recalling certain 2018-2021 Huracan vehicles. In temperatures below 41°F, the rearview camera may not display due to a software error in the infotainment system. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rear Visibility."

**Consequence:**

A rearview camera that does not display an image reduces the driver's rear view, increasing the risk of a crash.

**Remedy:**

Dealers will update the instrument cluster software, free of charge. Owner notification letters are expected to be mailed August 6, 2021. Owners may contact Lamborghini customer service at 1-866-681-6276. Lamborghini's number for this recall is L62X-R.01.21.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please ensure the following requirements are met:**

Per the requirements of 573.6(c)(2)(iv), please provide the supplier name, contact information, address and country of origin (if known) for the infotainment system. If your company manufactured the component itself, then please state so in 573.

**AMENDED 573 REQUIRED.**

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
