TIRES

Potential Number of Units Affected: 125

Problem Description:

Maserati North America, Inc. (Maserati) is recalling certain 2021 Quattroporte Trofeo and Ghibli Trofeo vehicles equipped with optional 21-inch tires. The tire placard may have incorrect tire pressure information. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 110, "Tire Selection and Rims."

Consequence:

Tires that are inflated to the incorrect pressure could lead to a loss of vehicle stability and control, increasing the risk of a crash.

Remedy:

Dealers will replace the placard and update the tire pressure monitoring system, free of charge. Owner notification letters are expected to be mailed September 17, 2021. Owners may contact Maserati customer service at 1-877-696-2737. Maserati's number for this recall is 432.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
