Subject: High Voltage Battery May Fail

Dear Mr. Diaz:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FORD/ESCAPE/2021

Mfr's Report Date: November 10, 2021

NHTSA Campaign Number: 21V-869

Components:

ELECTRICAL SYSTEM:PROPULSION SYSTEM:TRACTION BATTERY
HYBRID PROPULSION SYSTEM

Potential Number of Units Affected: 1

Problem Description:

Ford Motor Company (Ford) is recalling one 2021 Escape vehicle equipped with a 2.5L hybrid powertrain. The high voltage battery may fail, resulting in a sudden loss of drive power.

Consequence:

A sudden loss of drive power increases the risk of a crash.

Remedy:

A dealer will replace the high voltage battery, free of charge. The owner notification letter is expected to be mailed November 29, 2021. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 21S48.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Ford Motor Company's contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
Office of Defects Investigation
Enforcement
