Subject: Heat Exchanger Oil Lines May Detach

Dear Mr. Forghieri:

This letter serves to acknowledge Lamborghini (Automobili Lamborghini)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

LAMBORGHINI/AVENTADOR SVJ/2021

Mfr's Report Date: November 25, 2021

NHTSA Campaign Number: 21V-927

Components:

ENGINE AND ENGINE COOLING:ENGINE:OIL/LUBRICATION:PIPES, HOSES, AND FITTINGS

Potential Number of Units Affected: 1

Problem Description:

Lamborghini (Automobili Lamborghini) is recalling one 2021 Aventador SVJ Roadster vehicle. The heat exchanger oil line screws may have been improperly tightened during assembly, which could cause the oil lines to detach.

Consequence:

Detached oil lines may leak oil onto hot components, increasing the risk of a fire.

Remedy:

A dealer will inspect and repair the heat exchanger oil line connections as necessary, free of charge. The owner notification letter is expected to be mailed December 3, 2021. Owners may contact Automobili Lamborghini customer service at 1-866-681-6276. Automobili Lamborghini number for this recall is L73X-R.02.21.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Lamborghini's proposed owner notification letter and approved it for distribution.

Please ensure the following requirements are met:

Per the requirements of 49 USC 30119, please provide the part number, name and description of the component or components involved in this recall. This information should be provided in an amended 573 in the "Involved Components" section.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Lamborghini (Automobili Lamborghini)'s contact for this recall will be Jennifer Kruger who may be reached by email at jennifer.kruger@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
