Chronology :

There have been no reports of property damage or injuries.

March 16, 2021 Bendix engineering receives first report of park brake did not set due to an active fault in the Intellipark system.

March 16 - May 2021 engineering attempts are made to reproduce the fault condition in the test bench and collect data on vehicles. Work with customer to investigate and confirm the report.

May 2021 – July 201 software calibration identified as potential source of the defect. Customer claim is very intermittent and difficult to reproduce. Vehicle level consequences are evaluated experimentally. Prevalence of necessary conditions are determined.

July 2021 - software calibration is demonstrated to be able to turn on and turn off the undesirable system response. Simulation tests are developed to reliably provide the necessary conditions on the bench test and on the vehicle.

July 28 2021 - Bendix product integrity committee recommendation is made to issue a equipment safety recall.

Description of Remedy :

Description of Remedy Program : A parameter in the Intellipark DECU will be updated using PC based service software. If the PC based software is remedy method is not available to a customer, the DECU will be removed and replaced with an service replacement with the parameter already set. The repair can be performed at an authorized service facility or by a fleet service center at no cost to the customer. Details of the reimbursement plan will be included in the customer letter.

How Remedy Component Differs The remedied DECU will have the updated parameter. After date code 7/13/2021 all Intellipark DECUs include the updated parameter. The date

from Recalled Component : code is visible on the exterior of the DECU.

Identify How/When Recall Condition was Corrected in Production : As of 7/13/2021, all Intellipark DECUs have the updated parameter as part of the software.

Recall Schedule :

Description of Recall Schedule : Owner Notification will be made by mail.

Planned Dealer Notification Date : OCT 01, 2021 - OCT 01, 2021

Planned Owner Notification Date : OCT 01, 2021 - OCT 01, 2021
