### Chronology:

Please see Attachment A for the requested chronology of events.
Description of Remedy:

Description of Remedy Program:
Customers can continue driving these vehicles; however Hyundai recommends parking these vehicles outside and away from structures until the recall remedy is completed. Hyundai plans to notify owners to bring their vehicles to the nearest Hyundai dealership for replacement of the ABS module fuse.

The remedy procedure will be performed at no charge. Hyundai will provide reimbursement to owners for repairs according to the plan submitted on May 16, 2018.

How Remedy Component Differs from Recalled Component:
The new fuse is rated at a lower amperage to effectively limit the operating current of the ABS module.
