

New Safety Recall Advanced Communication – Y56

FCA US LLC (FCA US) has announced an equipment safety recall on certain MOPAR Side Air Bag Inflatable Curtains (SABIC's): Crew Cab - Right 68161578AJ, Crew Cab - Left 68161579AJ, Quad Cab - Right 68161580AI, Quad Cab - Right **68161580AJ**, Quad Cab - Left 68161581AI, Quad Cab - Left **68161581AJ**, Mega Cab - Right 68184324AH, Mega Cab - Left 68184325AH, Standard Cab – Right 68184326AH, Standard Cab – Left 68184327AH.

REASON FOR THIS SAFETY RECALL

Some of the above SABIC's may have been manufactured with an inflator that may rupture. A SABIC inflator rupture may result in compressed gas rapidly escaping from the inflator and material potentially being propelled into the vehicle. Material being propelled into an occupied vehicle, or in the direction of a person if the inflator is not installed in a vehicle, may cause injury.

SERVICE ACTION

FCA US will conduct a voluntary safety recall on all affected parts to inspect and replace the SABIC as needed. The remedy for this condition is not currently available. Dealers will be notified of the launch of this equipment safety recall by way of established communication methods. This equipment recall is estimated to launch in 4th Quarter of 2021.

We ask that you please take the time to ensure that your personnel are aware of this communication and are prepared to execute a customer friendly process for inquiries regarding involved vehicles.
