The new requirement information for recording the replacement air bag inflator serial number under the Warranty Information section has been updated in this bulletin. Please discard all previous copies of N212328760.

Important Reminders

The new HD part numbers 84594241 (air bag kit) and 84594242 (bracket) must ONLY be submitted with the new labor code (9105713) AND with job card date of June 1, 2021 or later to avoid claim rejection. Vehicles repaired with the new part number 84594241 MUST have the serial number recorded when submitting the claim. Dealers submitting for the previous HD part number 84255088 with a job card date PRIOR to June 1, 2021 must use the previous labor code (9105357). Vehicles repaired with the previous part number 84255088 do not require recording of the serial number when submitting the claim.

An initial supply of 1 each 84594241 and 84594242 required to complete this recall will be pre-shipped to involved dealers of record of Priority Group 6 of N212328760 HD. This pre-shipment is scheduled to begin and conclude the week of 6/1/21. All orders placed prior to and during the pre-ship will be cancelled. Pre-shipped parts will be charged to dealer's open parts account.

Week of 6/7/21: Dealers may order 84594241 and 84594242 but MUST place the VIN # in the notes field of the order. If there is no VIN in the notes field or the VIN isn't on the Priority Group 6 population, your order will be cancelled.
