## Service Management Team,

This WRG-21R & Battery Identification Update Training contains two parts:

- **WRG-21R & Battery Identification Update Video (20L000116W)**
- **WRG-21R & Battery Identification Update Test (20L000117T)**

This course will be a requirement for Technician Pinnacle 2023 attainment.

SOA strongly recommends it for all technical personnel replacing batteries (Express Service Technicians, Dealer Service Technicians, etc.) and are performing the Fuel Pump Impeller Campaign.

### Course Details:

This Video contains supplemental information to be used when performing campaign WRG-21. The video does not cover the entire procedure but does detail the fuel level adjustment. The video also provides information on battery identification for proper testing with Midtronics equipment.

### Pinnacle Video Requirements:

- Battery Identification and Testing Video (06L200107W)
- Battery Identification and Testing Post Test (06L200108T)
- WRG-21R & Battery Identification Update Video (20L000116W)
- WRG-21R & Battery Identification Update Test (20L000117T)

**PC Requirements:** See Subarunet.com - Help - Recommendations

Once again, we strongly recommend having all your technicians completing this course and the assessment. Customer Satisfaction is our priority.
