January 12, 2022

Dear Trailer Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Carson Trailer, Inc. has decided that a defect which relates to motor vehicle safety exists on your trailer, based on the recall decision made by Dometic, the manufacturer that supplied the oven/stove/cooktop on your trailer.

! IMPORTANT !

- **Your trailer falls within the recall population.**
- **You should immediately schedule an appointment with your dealer to have your trailer inspected and, if necessary, repaired.**

Why is a recall being conducted?	Dometic stove, model number R1731 installed in certain Carson Fun Runner 2018-2020. The Stove Saddle Valve securing bolt may be overtightened, possible damaging the O-ring and causing a continuous gas leak that can increase the risk of fire.
What are we doing about the problem?	We will work with Dometic and will install remedy kit of gaskets, washers, thread locker bolts, and two round orange labels, free of charge. Owner notification letter will be mailed January 31, 2022. Owners may contact Carson customer service at 310-516-6046. Carson's number for this recall is Recall4
What should you do?	Please contact Carson Trailer customer service 310-516-6046 or your trailer dealer without delay and request a service date for inspection and any necessary repair related to this recall.
How long will the inspection and any necessary repair take?	The time required to inspect your trailer and perform any necessary repair is approximately one hour. However, due to scheduling requirements, your trailer dealer may need your trailer for a longer period of time. This remedy will take approximately one hour to complete, and will be completed free of charge.

What if I no longer own the trailer?	If you no longer own the trailer, please notify your trailer dealer as soon as possible. We appreciate your assistance in locating the current trailer owner. You received this notice because you are identified as the original purchaser.
Who should you contact if you have further questions?	If you have difficulties scheduling your vehicle service or need other assistance, please contact Dometic at 888-943-4905 and press 2 when the message comes on we can answer your questions or try to process the kit request sooner.
