

NOTICE OF SAFETY RECALL

Recall No. 21E-050

Recall No. 21E-058

Dear One More Auto Parts Inc. Customer

This notice is sent to you in accordance with the requirement of the National Traffic and Motor Vehicle Safety Act. One More Auto Parts Inc. has decided that EX-PLAH11FBA and related models fail to conform to Federal Motor Vehicle Safety Standard No. 108, Lamps, reflective devices and associated equipment. Accordingly, we are initiating this safety recall. Please review this letter carefully

Item Covered Under Recall

Headlamp Bulb sizes

EX-PLAH11FBA,

TX002/9005FBA, TX002/9006FBA, TX001/H7FBA, EX-PLA9012FBA, TX001/9004FBA, TX001/9004FBA, TX001/9007FBA, TX002/H4FBA, TX002/H13FBA marketed as a replaceable headlight bulb on vehicles. The recall covers only bulbs sold in the United States.

Noncompliance of Recalled Item

The replaceable light source's maximum luminous flux was above the maximum limit during about the first ten minutes, then falls within legal limits; there are dimensional requirements that were not met in that there are no resistive filaments; and that it does not conform with marking requirements.

Safety Risk

The maximum luminous flux was above the maximum limit and may cause excessive brightness, to oncoming drivers increasing the risk of a crash.

What to do Next

If you own the involved headlamp bulb, please return the bulbs with your order number or other purchase evidence to us to obtain a full refund or get halogen replacement that meet the requirement of the FMVSS108.

If you have questions, please email to recall2021@onemoreauto.com.

We appreciate your cooperation and prompt attention to this important matter and apologize for any inconvenience.

Sincerely

One More Auto Parts Inc.
