**Subaru Safety Recall WRA-21  
NHTSA ID 21V-024  
February 2021**

**Dear Subaru Owner:**

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

SUBARU OF AMERICA, INC. has decided that a defect, which relates to motor vehicle safety, exists in certain 2021 model year Outback and 2021 model year Impreza vehicles.

You received this notice because our records indicate that you currently own one of these vehicles.

**REASON FOR THIS RECALL**

The transmission gear select lever cable nut may have been under-torqued during vehicle assembly. If this nut loses retention, the gear select may not function properly. If the gear select does not function properly, there is an increased risk of a crash.

**WHAT SUBARU WILL DO**

Subaru will check the torque of the transmission gear select lever cable nut, and if necessary, apply the proper torque at no cost to you.

**WHAT YOU SHOULD DO**

Please contact your Subaru retailer (dealer) immediately for an appointment to have this repair performed, at no cost to you.

**HOW LONG WILL THE REPAIR TAKE?**

The actual time for this repair is approximately 30 minutes. However, it may be necessary to leave your vehicle for a longer period of time on the day of your scheduled appointment to allow your Subaru retailer flexibility in scheduling. For your convenience, your retailer may provide you with a loaner or rental vehicle, at no cost to you.

**OWNER INFORMATION**

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please update this information online at [www.subaru.com](http://www.subaru.com), select 'Customer Support,' then select 'Address Update' or 'Ownership Update' from the "Quick Links" menu.

**IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR**

If you have already paid for repairs associated with this coverage, you may be eligible for reimbursement. Reimbursement consideration will be based on the amount an authorized Subaru retailer in your area would charge for the same repair.

Please send the original service repair order, which has the name of the repair facility, date of repair, mileage at the time of repair, complete 17-digit vehicle identification number (VIN), and your name, with correct mailing address and telephone number to the address listed below.
