Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG, the manufacturer of Mercedes-Benz vehicles, has decided that certain Model Year 2017-2021 C-Class Cabriolet vehicles fail to conform to Federal Motor Vehicle Safety Standard (“FMVSS”) number 208, “**Occupant crash protection.**” Our records indicate that your vehicle is included in the affected population of vehicles. This letter is a second notice to the initial notice and has been updated to reflect the availability of reimbursement if you have already paid to have this recall condition corrected.

**What is the CONCERN?**

On certain C-Class Cabriolet vehicles with PRE-SAFE, the front seat belts might not fully retract completely to their stowed position and therefore might not fulfill the requirements of FMVSS 208. If the seatbelt webbing does not fully retract into its stowed position, the seat occupant may find the operation of the seatbelt inconvenient and not wear it, increasing the risk of injury in the event of a crash.

**What will your DEALER DO?**

An authorized Mercedes-Benz dealer will check the retraction function of the seat belt on the affected vehicles and adjust the damping foam within the B-pillar, if necessary. **This service will be provided free of charge.** We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be less than **1 hour**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle which may increase the required working time.

**What should YOU DO?**

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

For additional information and to schedule an appointment, please contact your preferred authorized Mercedes-Benz dealer at your earliest convenience. To locate authorized dealers see [www.MBUSA.com/recall](http://www.MBUSA.com/recall). **Please mention you are scheduling an appointment to check the front seat belts under Recall Campaign # 2021020010.** You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

**Impacts from COVID-19:** Your health and safety remain our top priority. The Mercedes-Benz dealerships remaining open for recall repairs and service are closely following the guidelines set forth by the CDC. **Free Mobile Repair** at your home or business as well as vehicle pick-up and delivery may be available. Your preferred authorized Mercedes-Benz dealer can confirm availability.

**Information for Owners**

In the event that you are no longer the vehicle owner, or have had a change of address, please complete the reverse side and return the updated information in the enclosed envelope.

If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee within 10 business days to comply with Federal Regulations.

**UPDATED INFORMATION:** If you have already paid to have this recall condition corrected you may be eligible to receive reimbursement. Requests for reimbursement may include parts, labor, fees and taxes. Reimbursement may be limited to the amount the repair would have cost if completed by an authorized Mercedes-Benz dealer. Please see the following page for additional instructions.

A VIN-based recall lookup tool on our MBUSA.com website now offers a search feature that will indicate whether a vehicle has been subject to a safety recall, and whether that vehicle has had the free remedy performed. See [www.mbusa.com/recall](http://www.mbusa.com/recall). Should you have any questions or encounter any difficulty regarding this Recall Campaign, please contact an authorized Mercedes-Benz dealer. If for any reason a dealer is unable to remedy your situation, we are always happy to hear from you. Please contact us at 1-(800) FOR-MERCEDES (1-800-367-6372).

If an authorized Mercedes-Benz dealer for any reason is unable to remedy the situation without charge, or within a reasonable amount of time, pursuant to law 49 U.S.C. Chapter 301, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590 or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <https://www.safercar.gov>.

We apologize for any inconvenience this situation may cause you.

Sincerely,
