Get access to recall notifications, locate your nearest dealer, and more through this website or Mopar Owner's Companion App. You will be asked to provide your Vehicle Identification Number (VIN) to protect and verify your identity. The last eight characters of your VIN are provided above.

#### DEALERSHIP INSTRUCTIONS

Please reference Safety Recall Y14.

# IMPORTANT SAFETY RECALL

## Brake Clip

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that a defect, which relates to motor vehicle safety, exists in certain [2020 and 2021 Model Year (DS) Ram 1500 Pickup] vehicles equipped with non-adjustable pedals.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The brake clip which retains the master cylinder push rod to the brake pedal on your vehicle <sup>[1]</sup> may be missing. A vehicle built without the clip could allow the master cylinder push rod to disconnect from the brake pedal pin, separating the brake pedal from the brake system. **A disconnected master cylinder push rod results in the driver being unable to apply the service brakes using the brake pedal, which can cause a vehicle crash without prior warning. The parking brake function is unaffected.**

**FCA US recommends that owners DO NOT DRIVE their vehicles until they receive instructions on how to have their vehicle inspected, and repaired if necessary.**

You should have already received a phone call about this issue. If you **have not** been contacted or **have not** had your brake clip inspected, contact your Chrysler, Jeep, Dodge or RAM dealer immediately to have an on-site vehicle inspection performed.

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will inspect for the brake clip and install a brake clip if it is missing. The estimated repair time is 15 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit **www.fcarecallreimbursement.com** to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
