## IMPORTANT SAFETY RECALL NOTICE

This notice applies to your motorcycle or scooter, VIN

February 19, 2021

Dear Yamaha Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Yamaha Motor Corporation, U.S.A. has decided that a defect that relates to federal motor vehicle regulations exists in certain 2019~2021 model YZF-R3 and 2020 model MT-03 motorcycles and also 2019~2020 model CZD300 (XMAX) scooters that fail to conform to the requirements of 49 CFR Part 567, "Certification." Our records indicate that you own the affected vehicle shown above.

**The reason for this recall:** In affected vehicles, the Vehicle Certification Label shows a Vehicle Identification Number (VIN) that does not match the VIN stamped into the frame as required by federal motor vehicle regulations, increasing the risk that a vehicle will not be remedied in a safety recall and the risk of injury, fire, or crash.

**What Yamaha and your dealer will do:** To correct this defect, your authorized Yamaha dealer will inspect the Vehicle Certification Label on your vehicle and, if necessary, replace it with one that matches. The replacement procedure itself takes about 30 minutes to do but be aware that your Yamaha dealer may need to keep your vehicle longer while they obtain the correct Vehicle Certification Label from Yamaha. **There will be no charge to you for this procedure.**

**What you should do now:** Please call your Yamaha dealer to make a service appointment to have this procedure performed. At that same time, you can find out how long they expect to keep your motorcycle or scooter for this service. Remember to take this letter with you when you take in your motorcycle or scooter.

**You should have this modification done by your dealer as soon as possible to avoid potential problems with vehicle registration in the future.**

If you are unable to return to the Yamaha dealer who sold you the motorcycle or scooter, this service will be performed by any authorized Yamaha Motorcycle or Scooter dealer. For the name of a dealer near you, call 1-800-88-YAMAHA or visit the Yamaha web site at [www.yamaha-motor.com](http://www.yamaha-motor.com).

If you have had this repair performed before you received this letter, you may be entitled to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this repair. For more information, contact Yamaha Customer Relations at 1-800-962-7926.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.
