

# IMPORTANT SAFETY RECALL

May 2021

**The applicable Vehicle Identification Number (VIN) can be found on the address label of the envelope.**

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

TK Holdings (Takata) has decided that a defect which relates to motor vehicle safety exists in certain passenger-side frontal airbag inflators installed as original equipment in certain 2007 to 2011 model year Cadillac Escalade, Escalade ESV, and Escalade EXT vehicles; certain Chevrolet Avalanche, Silverado 1500, Suburban, and Tahoe vehicles; certain GMC Sierra 1500, Sierra 2500/3500, Yukon, and Yukon XL vehicles; certain 2008 to 2011 model year Chevrolet Silverado 2500/3500 vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience.

## IMPORTANT

- Your vehicle is involved in GM recall N212328760.
- **Even though your vehicle may have recently received a replacement airbag inflator or airbag assembly, your vehicle still requires service to confirm that the correct replacement part was installed in your vehicle.**
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

### Why is your vehicle being recalled?

Takata has determined that a defect exists in the passenger-side frontal airbag inflator in your vehicle. The determination was made that the propellant in this inflator may degrade after long-term exposure to high humidity and temperature cycling, which could cause the inflator to explode during a deployment. An inflator rupture may cause metal fragments to pass through the airbag and into the vehicle interior at high speed, which may result in serious injury or death to passengers.

### What will we do?

Your GM dealer will replace the passenger-side frontal airbag inflator in your vehicle. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual inspection and service correction time of approximately one hour.

### What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

### Do you have questions?

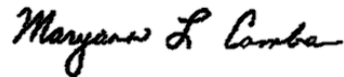

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center
