*** * * IMPORTANT SAFETY DEFECT ##-#### * * ***

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. SVI has decided that a defect which relates to motor vehicle safety exists in certain 2017 through 2021 model year Gladiator, MetroStar, MetroStarX, Freightliner and Kenworth model chassis cabs equipped with either a Cummins L9 or Cummins X12 engine. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS). We urge you to have the free repair performed at your Cummins authorized service center as soon as possible.

Recall Number and Description:	##-#### – Cummins Fuel Rail Assembly
---------------------------------------	---

What is the Issue?	<p>SVI has decided that a defect which relates to motor vehicle safety exists in certain 2017 through 2021 model year Gladiator, MetroStar, MetroStarX, Freightliner and Kenworth model chassis cabs equipped with either a Cummins L9 or Cummins X12 engine.</p> <p>On the affected vehicles, the fuel rail assembly may develop leaks, which may result in an undetected prolonged diesel fuel spray.</p> <p>A leak involving spraying/misting fuel in the presence of an ignition source may increase the risk of fire. The operator may see or smell diesel fuel. In some cases, the check engine lamp may illuminate.</p>
---------------------------	--

What Are We Asking You To Do?	<p>Cummins will instruct you to take your vehicle to a Cummins authorized service center to inspect the fuel rail. If damage is found, the fuel rail and fuel lines will be replaced. If no damage is found, the fuel rail will be reassembled with new crush washers using a special tool. There is no cost to the vehicle owner for the recall remedy.</p> <p>Please contact your local Cummins Distributor to perform the remedy. You may also contact Cummins Care at 1-800- CUMMINS (1-800-286-6467) or visit our website at care.cummins.com.</p>
--------------------------------------	--

If You Need Further Assistance.	<p>If you are the lessor of this vehicle, please forward a copy of this notice to the lessee within 10 days to comply with federal regulations.</p> <p>If after having attempted to take advantage of this recall you believe you have not been able to have your fire apparatus remedied without charge and within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, D.C. 20590 or call the toll-free vehicle safety hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to http://www.safercar.gov.</p> <p>If you experience any difficulty obtaining the needed replacement parts or have any questions related to this safety defect, please email Rich Kunich at richk@svitrucks.com or 970-297-7056.</p> <p>We apologize for any inconvenience this safety recall may cause, but your safety is our first concern. The vehicle owner is responsible for having this service action performed.</p>
