Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year ("MY") 2021 GLE-Class and GLS-Class vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

In certain MY21 GLE-Class and GLS-Class vehicles, the rear window bonding might be insufficient, and not meet specifications. Insufficient adhesion of the rear window to the tailgate could result in the rear window detaching, which could become a road hazard and increase the risk of a crash for other vehicles. Before the issue occurs, you might notice wind noises from the rear window area.

What will your DEALER DO?

An authorized Mercedes-Benz dealer will replace the rear window on the affected vehicles. **This service will be provided free of charge.** We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be less than 3.5 hours, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

For additional information and to schedule an appointment, please contact your preferred authorized Mercedes-Benz dealer at your earliest convenience. To locate authorized dealers see www.MBUSA.com/recall. **Please mention you are scheduling an appointment to replace the rear window under Recall Campaign # 2021110007.** You may be asked for your 17-digit Vehicle Identification Number (VIN), which for your convenience is located above your name at the top of this letter.

Impacts from COVID-19: Your health and safety remain our top priority. The Mercedes-Benz dealerships remaining open for recall repairs and service are closely following the guidelines set forth by the CDC. **Free Mobile Repair** at your home or business as well as vehicle pick-up and delivery may be available. Your preferred authorized Mercedes-Benz dealer can confirm availability.

In the event that you are no longer the vehicle owner, or have had a change of address, please complete the reverse side and return the updated information in the enclosed envelope.
