Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has decided that certain Model Year ("MY") 2021 GLB-Class vehicles fail to conform to Federal Motor Vehicle Safety Standard ("FMVSS") number 226, "Ejection Mitigation". Our records indicate that your vehicle is included in the affected population of vehicles.

**What is the CONCERN?**

In certain MY21 GLB-Class vehicles, the driver-side window airbag might not have been mounted correctly to the lower area of the A-pillar. In the event of a crash with activation of the driver-side window airbag, the window airbag catch strap in the lower area of the A-pillar could detach. Therefore, the restraining effect of the window airbag might not function as specified in FMVSS 226 "Ejection Mitigation", increasing the risk of injury for the driver and left rear occupant.

**What will your DEALER DO?**

An authorized Mercedes-Benz dealer will repair the mounting of the driver-side window airbag on the affected vehicles. **This service will be provided free of charge.** We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be less than **1 hour**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time.

**What should YOU DO?**

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

**Impacts from COVID-19:** Your health and safety remain our top priority. The Mercedes-Benz dealerships remaining open for recall repairs and service are closely following the guidelines set forth by the CDC. **Free** vehicle pick-up and delivery may be available. Your preferred authorized Mercedes-Benz dealer can confirm availability.
