- 2018 Mazda3⁽¹⁾ produced from May 7, 2018 through October 1, 2018

**Note (1): U.S. Territories only.*

In January 2022, you received a notification of this recall 5321K, that parts were not available, and that Mazda would send another letter to you when repair parts are available. We are pleased to inform you that parts are now available to complete the repair of your vehicle.

If you received this notice, your vehicle is included in this Safety Recall.

What is the problem?

On the affected vehicles, the impeller in the low-pressure fuel pump may become deformed causing fuel pump failure. Fuel pump failure may result in engine no start and/or stall, increasing the risk of a crash. Drivers may notice this defect by a check engine light, and/or rough engine operation.

What will Mazda do?

Protect What Is Important To You

Your Mazda dealer will replace the low-pressure fuel pump on your vehicle with an improved part. The repair will be performed at no cost to you.

How long will it take?

It will take approximately one and a half hours to complete the repair, and for MX-5 vehicles, it will take approximately two and a half hours to complete the repair. However, your Mazda dealer may need your vehicle for a longer period of time. Mazda will provide alternate transportation, if needed, when your vehicle is at an authorized Mazda dealership for a recall repair. Please schedule an appointment with an authorized Mazda dealer so they can discuss and accommodate your needs.

What should you do?

Mazda is concerned about your safety, and we encourage you to contact any authorized Mazda dealer to schedule an appointment to have your Mazda vehicle repaired as soon as possible. You do not need to bring this notice to the dealer, but it may assist in the check-in process.

Emission Law Information: To ensure your full protection under the emission warranty made applicable to your vehicle by State or Federal Law, it is recommended you have your vehicle or engine serviced as soon as possible. Failure to do so could be determined as lack of proper maintenance of your vehicle. Also, your vehicle may fail a state or local emission inspection if this recall is not completed.

Important notice to owners registering vehicles in California and Massachusetts: California Department of Motor Vehicles and the Commonwealth of Massachusetts, in conjunction with the California Air Resources Board and the Environmental Protection Agency for the State of Massachusetts, have implemented the Registration Renewal/Recall Tie-In Program, which requires the completion of Emission Recalls prior to registration renewal. Mazda dealers will provide a Vehicle Emission Recall - Proof of Correction Certificate upon completion of the recall. Be sure to keep the proof of correction certificate provided by the Mazda Dealer until needed for the registration renewal process.

What if you already paid for repair related to this concern?

If you have already paid for repairs due to conditions similar to this recall campaign prior to receiving this notice, you may be eligible for reimbursement of reasonable repair expenses based on Mazda's repair standards. Please visit www.mazdareimbursement.com and enter your Vehicle Identification Number (VIN). Follow the online screen prompts to enter the relevant information to submit your claim. For further questions or if you do not have access to apply online, contact the Mazda Customer Experience Center at 1-800-222-5500, Option #6.

Where is the closest Mazda dealer?

To locate your nearest Mazda dealer, visit our website www.MazdaRecallInfo.com, or call our Customer Experience Center at (800) 222-5500, option #6.

Moved or no longer own this vehicle?

If you have moved or no longer own your Mazda vehicle, please complete and mail the Information Change Card in the postage paid envelope as soon as possible. This enables us to update our records and notify the current owner. Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Still have questions?

If you have any questions regarding this campaign, please contact our Customer Experience Center toll free at (800) 222-5500, option #6. If Mazda or its dealers do not repair the defect free of charge and within a reasonable amount of time, you may notify the Administrator of the National Highway Traffic Safety Administration, 1200 New Jersey Ave., SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327- 4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
