IMPORTANT SAFETY RECALL **See enclosed VIN list**

Subject: Wide Base Tire and Wheel Combinations

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Trucks North America LLC (DTNA), on behalf of its Freightliner Trucks Division, and wholly owned subsidiary, Western Star Truck Sales, Inc., has decided that a defect that relates to motor vehicle safety exists on the vehicles mentioned above. Freightliner Custom Chassis Corporation has decided that a defect which relates to motor vehicle safety exists on specific model years 2011-2022 specific Freightliner 108SD, 114SD, Business Class M2, Coronado, and FLD Military vehicles and Western Star 4700, 4900, 6900, and 49X vehicles manufactured March 31, 2010, through September 22, 2021.

On the affected vehicles, the tire/rim combination was not on the approved list from the Tire and Rim Association or listed as approved by the tire manufacturer at the time of sale, as required by FMVSS 120. Failure to meet the standard without getting tire manufacturer approval increases the risk of a crash.

Vehicles with suspect tire/rim combinations will be replaced with approved tires. Repairs will be performed by Daimler Trucks North America authorized service facilities.
