This notice applies to your Hyundai, VIN:

Dear

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect which relates to motor vehicle safety exists in your vehicle, with the VIN shown above. Hyundai is initiating a safety recall to repair a condition involving the service brake system in certain model year 2021 Hyundai Accent vehicles in the U.S. and Canada.

### What is the problem?

The brake master cylinder in the subject vehicles may have been produced with sharp edges on one of the master cylinder's secondary inner cup seal seats, resulting in premature wear of the inner cup seal. Worn inner cup seals could reduce hydraulic pressure applied by the master cylinder resulting in reduced braking function at the wheels. The driver may experience longer brake pedal travel, change in pedal feel, and extended stopping distance, increasing the risk of a crash.

### What will Hyundai do?

Your Hyundai dealer will have the brake master cylinder replaced. This procedure will be performed at **NO CHARGE** to you.

### What should you do?

**Please contact your nearest Hyundai dealer to schedule the recall repair as soon as possible.**

If the Malfunction Indicator Light is illuminated in your vehicle, you should seek service at your Hyundai dealer as soon as possible. The actual time required to perform the repair will take approximately one hour and a half. However, your vehicle may be needed longer. Therefore, we recommend scheduling a service appointment to minimize inconvenience.

### If you have other questions

If you require further assistance, you may contact the Hyundai Customer Care Center at 1-855-371-9460. If you believe that the dealer or Hyundai has failed or is unable to remedy the defect within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <https://www.safercar.gov>.

Thank you for your attention to this important safety matter. We apologize for any inconvenience this may have caused you.
