INSPECTION OF WINNTEC MODEL #6020 LP REGULATOR

1. Only the Winntec Model #6020 - Dual Stage Double Cylinder - Automatic Changeover Regulator with Pigtails is affected. Replace the regulator and pigtails if the manufacturing date code stamped into the regulator is 2017, 2018 or 2019. Example shown below.

2. File a claim for inspection only if the unit does not have a Winntec model #6020 LP regulator or if the date code stamped into the regulator is not 2017, 2018, or 2019.

REPLACING THE WINNTEC MODEL #6020 LP REGULATOR

1. Close the LP bottles and unscrew the pigtails from the LP bottles.
2. Remove the regulator from the unit.
3. Attach the new regulator to the unit.
4. Connect pigtails to LP bottles.
5. Check fittings, regulator, and connections using approved LP leak detection methods.
6. Proceed with a Drop Pressure Test:
   a. Insert manometer into LP system.
   b. Turn on both LP tanks.
   c. Turn off both LP tanks.
   d. Bleed system down to 8” water column.
   e. System must hold 8” water column for a minimum of 3 minutes.
7. Ensure system operating pressure is at 11” (+/-0.5) water column with 50% load and lockout pressure does not exceed 14” water column.

Jayco’s sole obligation under our limited warranty is to repair or replace defective materials and/or workmanship deemed our responsibility as determined by Jayco in our sole discretion. Jayco reserves the right to use new and/or remanufactured parts or materials of similar quality to complete any work, and to make parts and/or design changes as appropriate without notice to anyone. Jayco designs and/or materials changes are done without obligation to incorporate such changes in previously manufactured product. Jayco makes every reasonable effort to ensure field remedies will not adversely affect performance and/or safety of the unit. This field remedy is not intended to extend to future performance of this RV, or any of its materials, components or parts beyond the standard warranty period. The RV owner’s obligation to notify Jayco, or one of its independent, authorized dealers, of a claimed defect does not modify any obligation placed on the RV owner to contact Jayco directly when attempting to pursue remedies under state or federal law.
